Experience

Research Officer

2025

Práce BD

Rajshahi, Bangladesh

- Collected, reviewed, and organized research data for company projects
- Entered and cleaned large datasets in Excel with high accuracy
- Performed data validation to ensure consistency and reliability
- Prepared structured Excel reports to support internal decision-making

Projects

FlavorBot AI — Smart Recipe Generator — React, Vite, AI API

2026

- Built an AI-powered recipe generator that creates recipes from user ingredients
- Integrated AI API Groq for real-time generation
- Implemented dynamic ingredient management, loading states, and error handling
- Used react-markdown for clean output and built a responsive UI with Vite
- Live Demo: [Link](#) — GitHub: [Repo](#)

Batas – Weather App — HTML5, CSS3, JavaScript, OpenWeatherMap API

2026

- Developed responsive weather app providing real-time weather data for any city using OpenWeatherMap API
- Implemented Celsius/Fahrenheit toggle, automatic location detection, and localStorage for last searched city
- Built dynamic UI with weather icons and background reflecting current weather conditions
- Live Demo: [Link](#) — GitHub: [Repo](#)

Tic-Tac-Toe Game — HTML5, CSS3, JavaScript

2026

- Interactive 2-player game with X and O symbols and responsive UI
- Real-time score tracking and automatic winner detection
- Game reset functionality for multiple rounds without refreshing the page
- Live Demo: [Link](#) — GitHub: [Repo](#)

QR Code Generator — HTML5, CSS3, JavaScript

2026

- Generate QR codes from any text or URL with adjustable size
- Download generated QR codes as PNG images for easy sharing
- Interactive UI with live preview and responsive design
- Live Demo: [Link](#) — GitHub: [Repo](#)

- Fetch real-time stock data for any ticker symbol using Alpha Vantage API
- AI-powered price movement prediction (UP, DOWN, NEUTRAL) with confidence percentage using Google Gemini
- Interactive UI with dynamic confidence bars, market stats display, and responsive design
- Live Demo: [Link](#) — GitHub: [Repo](#)
